Minutes of the meeting of the Project Approval Board held on 6th June 2019 to consider the Annual Work Plan & Budget (AWP&B) 2019-20 of Samagra Shiksha for the State of Odisha

1. Introduction

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2019-20 for SAMAGRA SHIKSHA for the State of Odisha was held on 6th June 2019. The list of participants who attended the meeting is attached at **Annexure-I**.

2. Initiatives of the State

Ms. Rina Ray, Secretary (SE&L) invited Odisha to give a presentation on school education in the State. Shri Pradipta Kumar Mohapatra, Principal Secretary, School & Mass Education Department, Odisha gave a presentation which included the following major points:

- a) **School Monitoring App and Dashboard:** State has started a monitoring app with geo-tagging and time stamped surveys have been rolled out in the field. All CRCCs monitor all schools in their respective clusters, whereas the District & Block level officers monitor 10-15 schools per month. This Monitoring app contains 36 questions covering attendance, learning enhancement programmes, school operations, academics & infrastructure. Issues identified during field visits by the officials are raised to the concerned higher officers for necessary action. Detail guidelines for time bound redressal has also been developed. School wise report cards are generated on the basis of information received during the survey.
- b) **Project Monitoring App and Portal:** State has started an initiative of comprehensive App & Portal to obtain real time information and monitoring of on-going civil works, by analysing the status to increase work efficiency. Release of fund status, tracking of progress, collection of UCs and booking of expenditure are recorded through this dashboard.
- c) **Integrated and Extended Monitoring Information System (MIS):** State has started a new initiative to create an online application based MIS portal by connecting the schools directly to the State Server, to cater to the needs of all stakeholders. This has been developed for using as an integrated database of School, Students and Teachers and make process based data updation by integrating the MIS portal to the regular processes being conducted at School level as well as at BEO and DEO level.
- d) **On-line Teacher Transfer:** Teacher transfer has been made online in the State for facilitating teachers to apply through portal for their choice of schools having vacancies as per norm. As per the transfer policy of the State, system automatically generates the transfer list after verification of the applications through BEO & DEOs and sends for approval of competent authority.
- e) **District Score card and district ranking:** State has undertaken an initiative to evaluate all districts on the basis of selective educational indicators (similar to PGI like access, infrastructure, Governance, Community mobilisation etc.) and have started ranking different districts on the basis of scores obtained in the district score cards.

- f) **UJJWAL and UTTHAN:** An initiative for enhancement of quality education in elementary schools of the State. This has been implemented to make ascertain that all children can read & write in Odia & English, attain minimum competency in Science and Mathematics & acquire good values and good conduct. Remediation books has been provided to children and assessed in regular intervals.
- g) **Integrated Legal Management System (ILMS):** State has initiated an Integrated Legal Monitoring System (ILMS), to keep track of all cases filed against/ by the Govt. in S&ME Department, Directorates, DEOs, DPCs and BEOs. The major objective is to bring in accountability in processing of cases at all levels and transparency in disposal of cases.
- h) **On-line grievance redressal system (School student help line):** A unique attempt to listen to the voices, opinions, issues of students and redress accordingly & act as a means to sensitize the parents, teachers & children about RTE.
- i) **Initiative undertaken by SCERT:** The State has introduced an Online Computer Based Test for selection, placement and admission in different Teachers Education courses of DIETs, CTEs & IASEs. Unified Academic Calendar for D.El.Ed and B.Ed. courses have been developed and implemented in all the Universities and DIETs.
- j) **Reorganisation of the Department of Education:** The State Govt. has reorganized the Department of School & Mass Education by merging and reducing the number of directorates of the Department from 15 to 10 for optimal utilization of the existing infrastructure and human resources.

A soft copy of the State's presentation is available at 'www.samagra.mhrd.gov.in'.

3. **Review of Commitments and Expected Outcomes & Action Taken during 2018-19**

The progress made in implementing the commitments and expected outcomes given by the State in 2018-19 was reviewed and the status in respect of pending items is as under:

Sl. No.	Commitment and Expected Outcomes	Action Taken	Comments of PAB 2019-20
1	State will rationalize and redeploy more than 11,000 surplus teachers to maintain PTR at elementary schools.	Rationalisation process has been started and would be completed in the 1st quarter of 2019.	State was advised to ensure that no violation of child rights under the RTE Act during school rationalisation.
2	State was advised to fill up the vacant posts of 2883 (53%) headmasters and 4429 (13.67%) subject teachers in government secondary schools.	Advertisement already been published for filling up of teachers in secondary schools. Head masters posts filled up on promotion basis.	State was advised to fill up all vacant posts.
3	State has committed to make 83 Girls Hostels functional during 2018-19 out of 173 sanctioned earlier.	22 Girls Hostels have been made functional. Balance 61 hostels would be functional after the reopening of schools. It may be noted that the Girls hostel is a part of Adarsa Vidyalaya in the State.	State has been requested to make all 61 Girls Hostels functional by December, 2019.

4. Review of Performance during 2018-19

State has secured a score of 734 in Performance Grading Index (PGI) and was placed in Grade III (actually Category VI as no States are in the levels of 850 and above which form the first three levels). The Domain-wise Gaps are shown below:

Category 1				Category 2	Total
Domain 1 (180)	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
46	11	56	16	137	266

State was requested to examine its score in each domain and take measures to improve its overall PGI.

- a) **Learning Outcomes & Quality (C-1, D-1):** As per National Achievement Survey (NAS) score, there is need to lay more focus on Learning Outcomes of classes 3, 5 and 8.

State was requested to analyse NAS results and provide interventions to improve learning outcomes of the students.

- b) **Access Outcomes (C-1, D-2):** The State has achieved maximum grade in Net Enrolment Ratio (NER) at elementary level, retention at primary level and transition rate but not in mainstreaming Out of School Children (OoSC).

State was requested to take steps to ensure mainstreaming OoSC.

- c) **Infrastructure & Facilities (C-1, D-3):** State needs to focus on provision of Computer Aided Learning (CAL) facilities in Upper Primary Schools, Lab facilities in Secondary Schools, functional drinking water facility and providing free text books to students within a month of the start of the academic session.

State was advised to set-up CAL and Science Lab facilities in upper-primary and secondary schools respectively and ensures timely delivery of text books before the start of academic session.

- d) **Equity Outcomes (C-1, D-4):** State needs to focus on provision of Ramps for Children with Special Needs (CWSN), Functional CWSN friendly toilets in schools and provision of Aids and appliances for CWSN.

State was requested to focus on accessibility for CWSN in all schools.

- e) **Governance Process (C-2, D-1) Indicators requiring more focus are:** Teachers' attendance (2.1.4). Elementary Schools covered under Twinning/Partnership (2.1.5). Schools having PTR as per RTE Norms (2.1.8). Availability of teachers and principals (2.1.9, 2.1.10 and 2.1.11). Academic positions filled in SCERT/DIET (2.1.12) and Occupancy rates of officers (2.1.13, 2.1.14). Visits to elementary schools (2.1.15). Online transfer of teachers and merit-based system for recruitment of Head-Teachers/Principals (2.1.22, 2.1.23).

State was requested to examine all these indicators and take necessary actions for improving them.

5. Appraisal issues

- a) There are 17% upper primary schools where three subject teachers are not available as per RTE. State would need to re-deploy the excess teachers to the schools having adverse PTR as per RTE.
- b) There are more than 11,000 surplus teachers at elementary schools. State would need to rationalize these teachers, to ensure availability of required number of teachers in all schools.
- c) There are only 5% Secondary schools where four subject teachers are available. State would need to ensure availability of required number of subject teachers in all schools.
- d) There are 5724 vacant posts of teachers in Government Secondary schools which may be filled on priority.
- e) There are 2940 (53.87%) Headmasters/Principals vacant posts in Government Secondary Schools. State has to fill up these vacancies to maintain subject PTR as per norms.
- f) Out of approved 874 Secondary Schools, 34 schools have not been made functional/opened (31 schools of 2009-10, 1 school of 2013-14 and 2 schools of 2015-16). State was asked to take up these pending civil works on priority and ensure their completion.
- g) Out of School Children (OoSC) and 12 (1) (c): State is reimbursing only for class 1 admission under Section 12 (1)(C), instead of all elementary classes (I-VIII) as per RTE and Samagra Shiksha norms. State was requested to share detailing of class-wise admission under 12 (1)(C) of the RTE Act.
- h) KGBV: Out of 173 KGBVs sanctioned in Type IV (Girls Hostel), 113 buildings have been completed, 18 are in progress and 42 are yet to start. State was requested to start the work and make them functional by December 2019.
- i) GIS Mapping: Out of total 70470 Schools in the State, Geographical Coordinates of 1931 (2.74%) schools are awaited. State was asked to submit coordinates of remaining schools by 30th June, 2019.
- j) Vacancy in SCERT & DIETs:
 - (i) As per the scheme 750 (@ 25 per DIET x 30 DIETs) academic posts has to be sanctioned. The State Govt. has sanctioned 730 Academic posts, out of which 656 have been filled up, i.e. 13 % vacancy. State was advised to fill up these vacancies on priority.
 - (ii) As per the scheme 45 academic posts has to be sanctioned and filled up in SCERT. The State Govt. has sanctioned 20 Academic posts, out of which only 14 have been filled up, i.e. 69 % vacancy. State was advised to fill up these vacancies on priority.

6. New Approaches 2019-20

During the year 2019-20, certain new approaches have been introduced for enhancing the effectiveness of the Samagra Shiksha scheme and making it more outcome oriented. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme. A presentation on the New Approaches

was given and after discussions, these details have been incorporated in the **activity wise details mentioned in Para 10**. These are given below:

i) PISA (Programme for International Student Assessment)

PISA is conducted by '**Organization for Economic Co-operation and Development**' every three years. It is a **competency based assessment** which unlike content-based assessment, measures the extent to which students have acquired key competencies. The assessment tests the children in Reading, Mathematics and Science. Learning from participation in PISA will help to introduce competency based examination reforms in the school system and move away from rote learning. Schools run by **Kendriya Vidyalaya Sangathan (KVS), Navodaya Vidyalaya Samiti (NVS) and Chandigarh all of which are affiliated to CBSE will participate in PISA, 2020-21**. Although no specific activity or funding has been given for PISA to the States, MHRD will involve all States and UTs in orientation and capacity building programme for PISA.

ii) Shagunotsav

This is a Census based audit to be carried out in September, 2019 of all 11.85 lakh government and government aided schools in all States and UTs including nearly 7 lakh standalone primary schools. Data on various school based parameters is presently collected through the tools of Unified District Information System for Education (UDISE), SHAGUN, Project Monitoring System (PMS) and Performance Grading Index (PGI) to assess the quality and infrastructure at school level. However, the same is not corroborated through field visits. Feedback received from Central Prabhari Officers of aspirational districts has shown that many schools are not visited at all or the frequency of visit is very less. Therefore, a need was felt to take up the exercise of school based census to cover each and every school to ascertain the adequacy of infrastructure facilities, teachers, students, school management and community participation.

The parameters for the school census are to be based on the indicators monitored through UDISE+, PGI and Shagun. **Assessment of Learning Outcome will not be part of this evaluation as it will be conducted through the next round of NAS/School Based Assessments**. The feedback will help in facilitating the system to be responsive to school specific needs and initiate appropriate policy interventions. **The guidelines for the programme have been issued on 25th April, 2019**.

iii) Integrated Teacher Training Programme (Elementary level)

In-service teacher and teacher educators training have been an integral part of erstwhile Schemes of Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiyan (RMSA) and Centrally Sponsored Scheme on Teacher Education (CSSTE). As per the framework of Samagra Shiksha, various kind of trainings such as training for Principals/HMs (Refresher and Residential), Teachers (Refresher and Induction), Teacher Educators (Residential, Training of Master Trainers and Programme and Activities), Training of Educational Administrators (Residential) and Training for School Management and Development Committee (SMDC) Members are provided in different components. This kind of segmentation has adversely affected the efficacy of training. Therefore, an integrated approach by subsuming abovementioned trainings into a standardised comprehensive training package has been envisaged in order to ensure effectiveness of school eco-system

and improvement in learning outcomes. This is first time when the Department through its academic bodies such as National Council of Educational Research and Training (NCERT) and National Institute of Educational Planning and Administration (NIEPA) is taking a lead role and will conduct face to face training for around 32000 Key Resource Persons (KRPs) across all the States and UTs.

Earlier in-service teacher trainings were conducted by the concerned States and UTs through State Councils of Educational Research and Training (SCERTs) or any other agency as selected by them. Even after providing teachers training for last so many years, the efficacy of the training and its impact on improvement of learning outcome remain a big question. Cascade method with multiple layers has resulted in high percentage of communication loss when it reached grass root level. Requests have been received from many States and UTs to provide support in this regard. Recently, NCERT conducted a pilot in Tripura and trained 31000 teachers directly through Key Resource Persons (KRPs) trained by NCERT. After successful implementation of integrated teacher training in Tripura, it has been decided to scale up this model at national level and implement in all States and UTs. NCERT and NIEPA have been identified to lead this training in a mission mode in defined time period.

- The Integrated Teacher Training Programme would address concerns such as learner-centred pedagogy, learning outcomes, creating safe and secure environment in schools, role of community in improving school education, school based assessment, etc., which are required to reach the grass root level (i.e., to the teacher). For this, an integrated teacher training programme will be conducted in the months of June – November 2019 to directly train all 41 lakh teachers, school heads, BRCs and CRCs at the elementary level.
- This training will prepare teachers for School Based Assessment to be conducted in December, 2019 in all the schools.
- NCERT will formulate 8 National Resource Groups (NRGs) having 15 Resource Persons each, including experts from NIEPA. NRG from NCERT and NIEPA will include experts in different subject areas and generic issues.
- NRGs will conduct face to face training for the Key Resource Persons (KRPs) identified at the State and UT level, which shall include faculty members of DIETs, SCERTs, IASEs, CTEs, Senior Secondary Schools, BRCs, etc.
- Key Resource Persons will form a group called State Resource Group (SRGs), which will have 6 Resource Persons (5 KRPs + 1 School head trained under School leadership Programme of NIEPA). These SRGs will directly conduct training for teachers, Head Teachers/Head Masters, BRCCs and CRCCs at block level. One SRG will train about 125-150 participants at a time.
- A Learning Management System (LMS) Portal and a Mobile App will be developed by NCERT for registration of Resource Persons and Teachers, dissemination of resources, training gap analysis, monitoring, mentoring and measuring the progress online. Guidelines for the training of KRPs, SRPs and Teachers will be prepared along with the modules and shared with the States and UTs.

This training envisages to achieve both tangible and intangible benefits in terms of 100% coverage of elementary stage teachers, Head Masters/Head Teachers, Principals, faculty of SCERT and DIETs, Block Resource Centre Coordinator (BRCC), Cluster Resource Centre Coordinator (CRCC), who are trained through an integrated teacher training package. This will be helpful in making classrooms learner-friendly and improving children's competencies including critical thinking, problem solving, creativity, as well as social-personal qualities such as cooperation, team work etc.

iv) School Based Assessment (SBA)

Preparations for NAS 2020 (Pre NAS 2020) interventions have been initiated to reach out to all the districts of different States and UTs. In this context, a School Based Assessment (SBA) is proposed to be conducted throughout the country to assess the Learning Outcomes of all the children at the Elementary level. The purpose of the SBA is to empower the teachers to improve the learning levels of the students.

A framework to improve the quality of learning through SBA in the schools is being prepared which would focus on bringing in its ambit school leaders, teachers and the whole network of officials at blocks, DIETs, SCERT and the Directorates of Education in different States and UTs. The key features of the School Based Assessment are:

- It is proposed to be a decentralised test where the preparation of the test papers will be done at District level for which training will be given by NCERT and administration of the test will be at the school level.
- Non standardized assessment would be used to link to individual learning styles of each child. Emphasis will be on portfolio, self and peer assessment used in conjunction with teacher assessment. Assessment of personal social qualities along with cognitive competencies will be encouraged. A strong and relevant feedback mechanism will be inbuilt allowing the teacher to give immediate and constructive feedback to students.
- SBA would have an online reporting system of both school and teacher level performance which can be monitored at the District, State and National level.
- Guidelines, handbook, videos, e-books and e-learning materials will be developed for conduct of SBA and shared with the States and UTs.
- SBA would involve in its framework 'a whole school approach' which involves the participation of the community in the learning process. Students' progress would be discussed with the parents and shared with the SMCs and suggestions would be sought.
- In implementing the SBA, emphasis will be on on-site mentoring by the Cluster Resource Center Coordinator (CRCC). The CRCCs would nurture and support the teachers on a regular basis. Teachers would be encouraged to participate in quality circles within the clusters.
- Sample checking by an external agency will be done to validate the data from the schools.

v) Strengthening of CRCs - Mobility support to CRCs

The Cluster Resource Centres are the most critical units for training and on-site support to schools and teachers. The CRCs need to undertake regular visits and organise monthly meetings to discuss academic issues and design strategies for better school performance. Periodic inspection and supervision of schools to observe the infrastructure and facilities

and the administrative aspects is critical. In addition, a proper system of academic and curricular support has to be developed to serve the purpose of continuous professional up gradation of teachers. In this context, each Cluster Resource Coordinator should visit the schools and provide onsite academic support under his/her jurisdiction at least once in 2 months and send reports on a common platform to be shared by MHRD.

vi) School Management Committee (SMC) Training

Training of SMC members is required to be conducted by the Cluster Resource Coordinator (CRC). Four Quarterly meetings of SMC would be held in a year on dates to be notified by the State government for all the schools. Support for holding the meetings and uploading quarterly reports on a Mobile App on the meeting held as well as on the status/activities of the schools will be provided.

vii) Display of LOGO of Samagra Shiksha

A Logo is the symbol of the vision and spirit of the Scheme. A logo also helps in fostering the spirit and building a bond between the schools, the student and the community at large. Earlier, SSA logo was painted on school walls which was very well received by the community and helped in identifying the schools.

Thus, it becomes important for all schools to display the logo prominently on the premises. All schools will be required to display the logo of 'Samagra Shiksha' along with facilities under the scheme such as free text books, free uniforms etc. at prominent place through wall paintings or display board. The design of the logo will be shared by MHRD.

viii) Shagun Repository

This has been designed to change the narrative on school education by showcasing the multitude of innovative & successful models being implemented by all States and UTs in diverse circumstances. It enables the successful initiatives to be replicated & taken to scale. It encourages all States and UTs to positively compete with each other to carry out and upload best practices. This repository of good practices focuses on positive stories and developments that are driving performance improvements in school education. These innovative practices are documented in the form of case studies, videos, testimonials and images for which support is being provided under Samagra Shiksha.

ix) Constitution of Youth Club and Eco Club

Youth clubs in schools are an instrument to develop life skills, build self-esteem, develop self-confidence and resilience and counter negative emotions of stress, shame and fear.

Eco clubs in schools will empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighbourhood communities to promote sound environmental behaviour. It will empower students to explore environmental concepts and actions beyond the confines of a syllabus or curriculum.

In view of the above, all schools will constitute Youth and Eco clubs for students where they can participate in activities such as debates, music, arts, sports, reading, physical activities after school hours and during vacation. These would help in utilising the ideal school infrastructure particularly playing fields, sports equipment and libraries which will help the students to develop hobbies, skills and interests they might not otherwise be able to explore.

x) Issue of Identity card to teachers

In order to ensure quality of education, it is essential that duly appointed teachers are present in schools. Hence, the States and UTs is required to issue identity cards to all their regular and contractual teachers of elementary and secondary/higher secondary schools having the details such as photograph & name of the teacher along with name of the School with U-DISE Code, Full Address of the school with Block, Village, District, and Designation etc. PGI indicator 2.1.6 will be amended to replace teachers' photos with ID cards for teachers.

xi) Rangotsav

For the promotion of experiential learning and joyful learning, various activities are organized for both students and teachers. Some of the major activities under taken are Kala Utsav; Role Play Competition; Band Competition; Music Teacher Competition and Folk dance competition. While competitions will be organized at the secondary level, focus may be on joyful learning at elementary level.

xii) School Safety & Security

The issue of school safety has become more complex moving beyond corporal punishment to bullying, physical violence, sexual, psychological and emotional violence, even leading to death in extreme cases. In the recent past, there have been reports of violence and tragic incidents in schools including murder, assault and rape. This is a key cause of worry, demanding a school safety and security framework and plan of action.

The scheme of Samagra Shiksha endeavours to provide every child access to education in an environment that is safe, protective and conducive to growth & development. The teachers need to function as first step counsellor within the school. Also, every school is required to display a board on safety with helpline and emergency numbers and contact persons.

xiii) Performance Grading Index

The Performance Grading Index (PGI) has been designed to cater to the transformational change in the field of school education, where the focus has now shifted to the quality of education. The index comprising of 70 indicators would propel States and UTs towards undertaking multipronged interventions that will bring about the much desired educational outcomes.

xiv) UDISE +

This is an improved and updated version of UDISE. The entire system will be online and gradually move towards collecting real time data. Some of the expected outcomes of UDISE+ are: Evidence based planning and decision making: data analytics to identify factors affecting school performance: time series data to study the trend over years and monitor improvement and growth: track key performance indicators and rationalization of schools and teachers based on evidence.

xv) Reporting by the Head Masters/Principals

In order to monitor the expenditure under Samagra Shiksha and ensure that all the services and facilities reach the schools, a detailed system of obtaining reports every two months from every Head Master & Principal in a government school will be put in place. The reporting will be done through a Mobile App, which will be compiled at a central server

where the software will generate discrepancy reports, which will then be followed up for correction/necessary action.

xvi) Reporting by the BRCs

The potential of BRCs as academic resource centers is yet to be realized and their role and functions are to be academically channelized. BRCs/URCs need to function as resource centres to study the problems and to design strategies to address the academic issues in schools.

The Block Resource persons will be adequately trained and utilized more effectively. Under the Integrated Teacher Training Programme all the target groups, namely, teachers, principals, block and cluster resource persons, etc., will be brought on the same platform and oriented on similar content focusing on their specific roles and responsibility. There will be regular visits by the BRPs to schools for continuous monitoring, follow-ups and to ensure that learnings from training are translated in classroom transactions. The reporting will be done through the Mobile App which will be compiled at a central server where the software will generate discrepancy reports which will then be followed up for necessary action.

7. Total Estimated Budget (2019-20)

The estimates for the AWP&B for 2019-20 under Elementary, Secondary and Teacher Education are as under: -

(Rs. in lakh)

Head	Spill over	Non-Recurring (Fresh)	Recurring* (Fresh)	Total
Elementary	18509.12**	30225.55	332429.20	381163.87
Secondary	23351.57	8907.51	23638.09	55897.17

Total	42434.79	39319.86	359398.31	441152.96

*Includes Programme Management (MMER)

***After adjusting the surrendered works of Rs. 2170.77 lakh, the net spill over works out to Rs. 18509.12 lakh against the spill over of Rs. 20679.89 lakh as appearing on PMS under elementary education.*

8. Actual Releases by GOI during 2019-20

Against the above estimates, **Central Government shall provide to the State Government, Rs. 1894.84 crore as its share (Rs. 1674.02 crore for elementary, Rs. 199.87 crore for secondary & senior secondary and Rs. 20.95 crore for Teacher Education). The State would contribute Rs. 1263.23 crore as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha.**

States and UTs will also be able to utilise their unspent balances as on 31st March, 2019 for the activities approved in 2019-20 including spill over.

The additional requirement of funds as proposed by the States in the meeting has been examined and based on the norms & the criteria of the Samagra Shiksha Scheme, the funds for the eligible activities has been considered and provided in the estimates.

There are likely to be savings at the end of the calendar year. Therefore, supplementary PAB meeting on the balance request of the States may be considered separately sometime in the month of October-November, 2019.

Odisha is advised to prioritise the following activities besides RTE entitlements which would help the States in improving the grades under PGI, and particularly learning outcomes (as brought out from the post NAS-2017 analysis).

Sl. No.	Priority activities
1	Composite School Grant
2	Integrated Teacher Training (EE) including Printing of Integrated Teacher Training package

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2019-20.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2019-20 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRC and CRCS which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.

9. Release of Funds:

- a) State should release/transfer the central share to State Implementing Society within 15 days of its receipt in the State Treasury.
- b) The State share should be released to the State Implementing Society within one month of the release of the central share.
- c) All releases by the Centre would be subject to fulfilment of provisions of GFR by the State. The procurement guidelines as prescribed in the FM&P Manual should be adhered to and all procurement activities by the States and UTs should be routed through GEM portal.
- d) All guidelines issued by MHRD regarding utilisation of funds under the scheme will be followed.
- e) The release of central share of funds to all the States and UTs is subject to fulfilling the submission of documents, reports, financial statements as prescribed in the Samagra Shiksha FMP Manual.
- f) The ad-hoc amount of instalment has been released to the eligible States during April-May, 2019.

As regards the balance of funds to be released towards 1st instalment and 2nd instalment, the conditions to be fulfilled are as under:

- Approval of Annual Plans by PAB;

They include the focus areas and new approaches of MHRD which have been deliberated in detail in the PAB meetings. The objective of this is to have emphasis on quality of education and real time monitoring of activities under Samagra Shiksha through UDISE+, PGI, Mobile Apps, and Field Inspections. Many activities are shown separately for elementary and secondary due to different budget sub-heads. State specific projects are shown separately for clarity and monitoring purposes. **State will provide details of the Districts, Blocks and Schools, along with UDISE code where the activities have been conducted.** The minutes also include expected outcomes and monitoring mechanism for each activity which will help States and UTs in assessing their performance.
