Minutes of the meeting of the Project Approval Board held on 28th May 2019 to consider the Annual Work Plan & Budget (AWP&B) 2019-20 of Samagra Shiksha for the State of West Bengal

1. Introduction

The meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2019-20 for SAMAGRA SHIKSHA for the State of West Bengal was held on 28th May 2019. The list of participants who attended the meeting is attached at **Annexure-I**.

2. Initiatives of the State

Ms. Rina Ray, Secretary (SE&L) invited West Bengal to give a presentation on school education in the State. Sh. Manish Jain, Secretary, School Education (West Bengal), gave a presentation which included the following major points:

- a) **Banglar Shiksha:** The School Education Department of the State undertook an initiative to digitize all school related information and put them in a central repository for easy access of crucial data and ensure proper monitoring. As a result, Banglar Shiksha, a single window, one step solution for school education web portal (www.banglarshiksha.gov.in) was designed and launched. Through this platform, different e-government initiatives can be brought under one single umbrella. This portal is also complemented by App based supports, namely, Teacher & Student Mobile App, E-HRMS Mobile App- for grant-in-aid teaching and non-teaching employees, M-Paridarshan Mobile App- for mobile inspection, monitoring and supervision of schools, Mid-Day Meal Inspection App- for real time reporting. This is also being integrated with the UDISE+ with the incorporation of new fields of the UDISE+.
- b) **Online Vacancy Monitoring System:** State has initiated an online vacancy monitoring system to facilitate identification of vacant posts in these categories: subject-wise, medium-wise, position-wise location, academic-wise location. This system is integrated with the E-HRMS - database of teaching and non-teaching staff.
- c) **Exposure visits of students:** The State has undertaken an initiative for exposure visits of students in classes VII, VIII, IX and XI. Under this initiative for overall development and expansion of their horizon, exposure visits were conducted to various places like Govt. offices, historical places, science centres, museums, Higher Educational Institutions and other significant places of their own districts. This initiative was funded by the State and so far, 470160 students from 3918 schools have been covered under this initiative.
- d) **Mobile Science Exhibition in Rural Schools:** Another initiative of the State Government is the Mobile Science Exhibition, packing of science on Wheels in rural

areas. This Mobile exhibition is being conducted in 4 selected upper primary schools per block (except Kolkata) from 7th March 2019 to 13th July 2019. The Mobile buses were stationed in a particular venue school for 2 days, wherein students from neighbouring 2-3 schools of the venue school participated in this programme.

- e) **Nirmal Vidyalaya Abhiyan:** The State has been conducting an initiative to ensure safe and child friendly schools focussing on WASH, since 2012. This initiative aims at children's participation towards creation of WASH friendly surrounding, child friendly system and aesthetic environment at schools. As a part of this initiative, Jamini Roy Purashkar, Shishu Mitra Vidyalaya Purashkar and Prizes for Sit and Draw Competition are also given every year.
- f) **Kanyashree:** Kanyashree Pralkalpa, an initiative of the State, seeks to improve the status and wellbeing of girls, specifically those from socio-economically disadvantaged families through Conditional Cash Transfers by: Incentivizing them to continue in education for a longer period of time, and complete secondary or higher secondary education, or equivalent in technical or vocational streams, thereby giving them a better footing in both the economic and social spheres; and Dis-incentivising marriage till at least the age of 18, thereby reducing the risks of early pregnancies, associated risks of maternal and child mortality. So far, 15 lakh girls have been benefitted under this initiative.
- g) **Sahaj Saathi:** The State has also initiated a programme, Sahaj Saathi, which aims to promote access among students in secondary and higher secondary grades by providing bi-cycles to them thereby reducing drop outs and promote higher enrolment.
- h) **Provision of School Bags and Shoes:** State Government has started another initiative for providing school bags and school shoes to all students studying in classes V to VIII. Under this, 57 lakh school bags and 51 lakh school shoes have been distributed, so far, during the last academic session i.e., 2018-19.
- i) **Provision of Student's locker:** As part of its multi-pronged student oriented initiatives, the State Government has taken up the project of providing lockers at schools to all students studying from pre-primary to class XII. The main objective of this program is to help the students reduce the weight of school bags, especially students in higher classes, to keep the study materials, which are not required at home, in school lockers.

A soft copy of the State's presentation is available at 'www.samagra.mhrd.gov.in'.

3. **Review of Commitments and Expected Outcomes & Action Taken during 2018-19**

The progress made in implementing the commitments and expected outcomes given by the State in 2018-19 was reviewed and the status in respect of pending items is as under:

and subsequently upload it on the SSA Shagun portal. This would enable the State to showcase its successes and would provide a platform for all States and UTs to learn from each other.	Testimonial etc., were also uploaded. However, the process of uploading of Documents/Testimonials/Photographs/Videos for 2018-19 is currently under process. Current Status on Shagun: 1 Case Study; 1 Testimonial; 2 Videos; and 19 Photographs.	State has showcased during the PAB, it was requested to get these uploaded on the Shagun Portal latest by 30 th June, 2019.
State will display a gallery of the grade-wise photos of teachers on the school notice board in all elementary schools. The photos would be in a size that is visible and identifiable. This would help in honoring the teachers who are the fulcrum of the education system. State was advised to provide photo ID cards to all teachers to be worn during school hours.	Not yet initiated.	State was informed that this year funds are being provided under Samagra Shiksha for issuing of identity cards to teachers.
State would ensure the implementation of Public Finance Monitoring System (PFMS) up to the last destination i.e., school.	So far, PFMS implemented only at the State level	State was requested to ensure implementation of the PFMS upto the last destination i.e., schools, on priority.
The Annual Report would be submitted to the Department for laying in the Parliament.	2017-18 Annual report only soft copy of English Version shared.	State was requested to submit the hard copies of the Annual Report to the Department at the earliest to facilitate laying of these documents in the Parliament.

4. Review of Performance during 2018-19

State has secured a score of 617 in Performance Grading Index (PGI) and was placed in Grade V (actually Category VIII as no States are in the levels of B50 and above which form the first three levels). The Domain-wise Gaps are shown below:

Domain 1 (180)	Category 1			Category 2	Total
	Domain 2 (80)	Domain 3 (150)	Domain 4 (230)	Domain 1 (360)	All Domains (1000)
58	27	92	35	171	383

[Handwritten signature and official stamp]

State was requested to examine its score in each domain and take measures to improve its overall PGI.

- a) **Learning Outcomes & Quality (C-1, D-1):** As per National Achievement Survey (NAS) score, there is need to lay more focus on Learning Outcomes (LOs) with respect to classes 5 and 8.

State was requested to analyse NAS results and provide interventions to improve learning outcomes of the students.

- b) **Access Outcomes (C-1, D-2):** State needs to focus on Adjusted Net Enrolment Rate (ANER) and Out of School Children (OoSC) Mainstreaming.

State has achieved 90.96% transition rate both from primary to upper primary as well as upper primary to secondary levels, respectively. The State should take it to 100%.

- c) **Infrastructure & Facilities (C-1, D-3):** State needs to focus on provision of Computer Aided Learning (CAL) facilities in Upper Primary Schools, Lab facilities in Secondary Schools, Schools having Book Banks/ Reading Rooms/ Libraries, Vocational Education at Secondary & Higher Secondary, Primary Schools having graded supplementary material and Elementary level students getting uniform.

State was advised to set-up CAL facilities, Science Lab facilities in Secondary Schools, Schools having Book Banks/ Reading Rooms/ Libraries, Vocational Education at Secondary & Higher Secondary, provide Primary Schools with graded materials and ensure elementary level students gets school uniform before the start of academic session.

- d) **Equity Outcomes (C-1, D-4):** State needs to focus on provision of Ramps for Children with Special Needs (CWSN), Functional CWSN friendly toilets in schools and provision of Aids and appliances for CWSN.

State was requested to focus on accessibility for CWSN in all schools.

- e) **Governance Process (C-2, D-1) Indicators requiring more focus are:** Teachers' ID in electronic database (2.1.2); Students' attendance (2.1.3); Teachers' attendance captured digitally (2.1.4); Availability of teachers (2.1.9 and 2.1.11); Position filled in SCERT/SIS and DIETs (2.1.12); Teachers Evaluated (2.1.17); School visits by CRCs and BRCs (2.1.15); School leadership training (2.1.18) and Head teachers recruited through a merit based selection system (2.1.23).

State was requested to examine all these indicators and take necessary actions for improving them.

5. Appraisal Issues

- a) **Availability of Subject Teachers:** There are 72% secondary schools where 4 subject teachers are not available. State would need to ensure availability of required number of subject teachers in these schools.
- b) **Availability of Subject Teachers:** There are 42% upper primary schools where 3 subject teachers are not available as per RTE norms. State would need to ensure availability of required number of subject teachers in these schools.
- c) **Drop-out rate of Muslims** is 22% at secondary level and 21% at hr. secondary level. State may prepare an action plan to ensure their retention in schools.
- d) **Surplus Teachers:** There are 59989 surplus teachers in Primary schools. State would need to rationalize these teachers, to ensure availability of required number of teachers in all schools.
- e) **Untrained Teachers at Secondary:** There are 6670 untrained teachers at Government Secondary schools, who do not meet the requisite professional qualifications. State may prepare an action plan to conduct the requisite training.
- f) **Discrepancy in the data** on sanctioned & filled post of Teachers and Head Masters (HMs)/Principals: State should have a centralize data base of sanctioned posts of teachers according to the requirement in schools and actually filled up post.
- g) **Status of ICT:** Out of the total 5006 schools approved for ICT, 1172 schools are yet to be started i.e., 23.42%. State was requested to start work on the remaining schools.
- h) **Access:** 2122 Upper Primary Schools (UPS) were sanctioned to the State in 2004-05. These schools are not being accounted for despite several rounds of reconciliation of targets. This issue has been placed before the IAB on several occasions in past also. State was requested to examine the records of previous years and submit the clear detailed position (list of the 2122 UPS) by 30th July, 2019.
- i) **Civil work at the elementary level,** work has not been started for 264 Cluster Resource Centre (CRC), 1774 Primary Schools, 548 Upper Primary Schools, 14074 Additional Classrooms (ACRs), 420 Boys Toilets, 326 Girls Toilets, 1268 Girls Toilets with Incinerator, 6545 CWSN Toilets, 1617 Drinking Water, 3963 HM Rooms, 136098 Furniture, 770 Major Repairs, 6265 Child Friendly Element and 5554 ramps with hand rails. These construction works were sanctioned from 2007-08 onwards. State proposed to surrender the pending civil works at elementary level (from 2007-08) and will rework the requirement for civil work and get fresh proposals in 2020-21, which was accepted. Details are at Para 19.
- j) **Civil work at the secondary level,** work has not been started for 780 Additional Classrooms (ACRs), 142 Science Labs, 83 Libraries, 133 Art/Craft Room, 12 Drinking Water, 216 Toilets, and 46 Computer Rooms. These construction works were sanctioned from 2014-15 onwards.

- k) **OoS and 12 (1) (c):** 13 thousand OoS identified by the State is very low as compared with other educational indicators. State may prepare an action plan to conduct the correct identification of OoS. State has not started admission under 12 (1) (C).
- l) **KGBV enrolment:** 353 (3.98%) seats are lying vacant against 8875 targeted girl's enrolment in KGBVs Type I and 1293 (44.98%) seats are lying vacant against 2900 targeted girl's enrolment in 29 operational KGBVs Type IV. State was requested to fill-up all vacant seats in KGBVs, so that the capacity can be fully utilized.
- m) **KGBV construction:** State has not been able to complete construction of 26 KGBV buildings (01 in Type I & 25 in Type IV) and 11 KGBVs buildings (Type IV) are yet to start. State was asked to take up these pending civil works on priority.
- n) **Vacancy in SCERT & DIETs:** State has high vacancy of teacher educators in both the DIETs and SCERT.
- i) As per the scheme 475 (@ 25 per DIET x 19 DIETs) academic posts need to be sanctioned. The State Govt. has sanctioned 342 Academic posts, out of which only 109 have been filled up. State was advised to fill up these vacancies on priority.
 - ii) As per the scheme 45 academic posts need to be sanctioned and filled up in SCERT. The State Govt. has sanctioned 24 Academic posts, out of which only 10 have been filled up. State was advised to fill up these vacancies on priority.
- o) **Vocational Education:** State has not adopted the 2-year implementation module of Vocational Education. It was requested start adopting this 2-year implementation module in 2019-20.
- p) **GIS Mapping:** Out of total 96432 schools in the State, geographical coordinates of 14653 (15.20%) schools are yet to be provided. Private schools coordinates have not been received so far. State was asked to submit coordinates of remaining schools by 30th June, 2019.

6. New Approaches 2019-20

During the year 2019-20, certain new approaches have been introduced for enhancing the effectiveness of the Samagra Shiksha scheme and making it more outcome oriented. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme. A presentation on the New Approaches was given and after discussions, these details have been incorporated in the activity wise details mentioned in Para 10. These are given below:

i) **PISA (Programme for International Student Assessment)**

PISA is conducted by 'Organization for Economic Co-operation and Development' every three years. It is a competency based assessment which unlike content-based assessment, measures the extent to which students have acquired key competencies.

The assessment tests the children in Reading, Mathematics and Science. Learning from participation in PISA will help to introduce competency based examination reforms in the school system and move away from rote learning. Schools run by *Kendriya Vidyalaya Sangathan (KVS), Navodaya Vidyalaya Samiti (NVS) and Chandigarh all of which are affiliated to CBSE will participate in PISA, 2020-21*. Although no specific activity or funding has been given for PISA to the States, MHRD will involve all States and UTs in orientation and capacity building programme for PISA.

ii) Shagunotsav

This is a Census based audit to be carried out in September, 2019 of all 11.85 lakh government and government aided schools in all States and UTs including nearly 7 lakh standalone primary schools. Data on various school based parameters is presently collected through the tools of Unified District Information System for Education (UDISE), SHAGUN, Project Monitoring System (PMS) and Performance Grading Index (PGI) to assess the quality and infrastructure at school level. However, the same is not corroborated through field visits. Feedback received from Central Prabhari Officers of aspirational districts has shown that many schools are not visited at all or the frequency of visit is very less. Therefore, a need was felt to take up the exercise of school based census to cover each and every school to ascertain the adequacy of infrastructure facilities, teachers, students, school management and community participation.

The parameters for the school census are to be based on the indicators monitored through UDISE+, PGI and Shagun. **Assessment of Learning Outcome will not be part of this evaluation as it will be conducted through the next round of NAS/School Based Assessments.** The feedback will help in facilitating the system to be responsive to school specific needs and initiate appropriate policy interventions. **The guidelines for the programme have been issued on 25th April, 2019.**

iii) Integrated Teacher Training Programme (Elementary)

In-service teacher and teacher educators training have been an integral part of erstwhile Schemes of SSA, RMSA and CSSTE. As per the framework of Samagra Shiksha, various kind of trainings such as training for Principals/HMs (Refresher and Residential), Teachers (Refresher and Induction), Teacher Educators (Residential, Training of Master Trainers and Programme and Activities), Training of Educational Administrators (Residential) and Training for School Management and Development Committee (SMDC) Members are provided in different components. This kind of segmentation has adversely affected the efficacy of training. Therefore, an integrated approach by subsuming abovementioned trainings into a standardised comprehensive training package has been envisaged in order to ensure effectiveness of school ecosystem and improvement in learning outcomes. This is first time when the Department through its academic bodies such as National Council of Educational Research and Training (NCERT) and National Institute of Educational Planning and Administration (NIEPA) is taking a lead role and will conduct face to face training for around 32000 Key Resource Persons (KRPs) across all the States and UTs.

 (निदेशक, शिक्षा)

Earlier in-service teacher trainings were conducted by the concerned States and UTs through SCERTs or any other agency as selected by them. Even after providing teachers training for last so many years, the efficacy of the training and its impact on improvement of learning outcome remain a big question. Cascade method with multiple layers has resulted in high percentage of communication loss when it reached grass root level. Requests have been received from many States and UTs to provide support in this regard. Recently, NCERT conducted a pilot in Tripura and trained 31000 teachers directly through Key Resource Persons (KRPs) trained by NCERT. After successful implementation of integrated teacher training in Tripura, it has been decided to scale up this model at national level and implement in all States and UTs. NCERT and NIEPA have been identified to lead this training in a mission mode in defined time period.

- This Integrated Teacher Training programme would address concerns such as learner-centred pedagogy, learning outcomes, creating safe and secure environment in schools, role of community in improving school education, school based assessment, etc., which are required to reach the grass root level (i.e., to the teacher). For this, an integrated teacher training programme will be conducted in the months of July - December 2019 to directly train all 41 lakh teachers, school heads, BRCs and CRCs at the elementary level.
- This training will prepare teachers for School Based Assessment to be conducted in December, 2019 in all the schools.
- NCERT will formulate 8 National Resource Groups (NRGs) having 15 Resource Persons each, including experts from NIEPA. NRG from NCERT and NIEPA will include experts in different subject areas and generic issues.
- NRGs will conduct face to face training for the Key Resource Persons (KRPs) identified at the State and UT level, which shall include faculty members of DIETs, SCERTs, IASEs, CTEs, Senior Secondary Schools, BRCs, etc.
- Key Resource Persons will form a group called State Resource Group (SRGs), which will have 6 Resource Persons (5 KRPs + 1 School head trained under School leadership Programme of NIEPA). These SRGs will directly conduct training for teachers, Head Teachers/Head Masters, BRCCs and CRCCs at block level. One SRG will train about 125-150 participants at a time.
- A Learning Management System (LMS) Portal and a Mobile App will be developed by NCERT for registration of Resource Persons and Teachers, dissemination of resources, training gap analysis, monitoring, mentoring and measuring the progress online. Guidelines for the training of KRPs, SRPs and Teachers will be prepared along with the modules and shared with the States and UTs.

This training envisages to achieve both tangible and intangible benefits in terms of 100% coverage of elementary stage teachers, Head Masters/Head Teachers, Principals, faculty of SCERT and DIETs, Block Resource Centre Coordinator (BRCC), Cluster

Resource Centre Coordinator (CRCC), who are trained through an integrated teacher training package. This will be helpful in making classrooms learner-friendly and improving children's competencies including critical thinking, problem solving, creativity, as well as social-personal qualities such as cooperation, team work etc.

iv) School Based Assessment (SBA)

Preparations for NAS 2020 (Pre NAS 2020) interventions have been initiated in reach out to all the districts of different States and UTs. In this context, a School Based Assessment (SBA) is proposed to be conducted throughout the country to assess the Learning Outcomes of all the children at the Elementary level. The purpose of the SBA is to empower the teachers to improve the learning levels of the students.

A framework to improve the quality of learning through SBA in the schools is being prepared which would focus on bringing in its ambit school leaders, teachers and the whole network of officials at blocks, DIETs, SCERT and the Directorates of Education in different States and UTs. The key features of the School Based Assessment are:

- It is proposed to be a decentralised test where the preparation of the test papers will be done at District level for which training will be given by NCERT and administration of the test will be at the school level.
- Non standardized assessment would be used to link to individual learning styles of each child. Emphasis will be on portfolio, self and peer assessment used in conjunction with teacher assessment. Assessment of personal social qualities along with cognitive competencies will be encouraged. A strong and relevant feedback mechanism will be inbuilt allowing the teacher to give immediate and constructive feedback to students.
- SBA would have an online reporting system of both school and teacher level performance which can be monitored at the District, State and National level.
- Guidelines, handbook, videos, e-books and e-learning materials will be developed for conduct of SBA and shared with the States and UTs.
- SBA would involve in its framework 'a whole school approach' which involves the participation of the community in the learning process. Students' progress would be discussed with the parents and shared with the SMCs and suggestions would be sought.
- In implementing the SBA, emphasis will be on on-site mentoring by the Cluster Resource Center Coordinator (CRCC). The CRCCs would nurture and support the teachers on a regular basis. Teachers would be encouraged to participate in quality circles within the clusters.
- Sample checking by an external agency will be done to validate the data from the schools.

v) Strengthening of CRCs - Mobility support to CRCs

The Cluster Resource Centres are the most critical units for training and on-site support to schools and teachers. The CRCs need to undertake regular visits and organise monthly meetings to discuss academic issues and design strategies for better school

The School Education & Literacy

performance. Periodic inspection and supervision of schools to observe the infrastructure and facilities and the administrative aspects is critical. In addition, a proper system of academic and curricular support has to be developed to serve the purpose of continuous professional up gradation of teachers. In this context, each Cluster Resource Coordinator should visit the schools and provide onsite academic support under his/her jurisdiction at least once in 2 months and send reports on a common platform to be shared by MHRD.

vi) School Management Committee (SMC) Training

Training of SMC members is required to be conducted by the Cluster Resource Coordinator (CRC). Four Quarterly meetings of SMC would be held in a year on dates to be notified by the State government for all the schools. Support for holding the meetings and uploading quarterly reports on a Mobile App on the meeting held as well as on the status/activities of the school will be provided.

vii) Display of LOGO of Samagra Shiksha

A logo is the symbol of the vision and spirit of the Scheme. A logo also helps in fostering the spirit and building a bond between the school, the student and the community at large. Earlier, SSA logo was painted on school walls which was very well received by the community and helped in identifying the schools.

Thus, it becomes important for all schools to display the logo prominently on the premises. All schools will be required to display the logo of 'Samagra Shiksha' along with facilities under the scheme such as free text books, free uniforms etc. at prominent place through wall paintings or display board. The design of the logo will be shared by MHRD.

viii) Shagan Repository

This has been designed to change the narrative on school education by showcasing the multitude of innovative & successful models being implemented by all States and UTs in diverse circumstances. It enables the successful initiatives to be replicated & taken to scale. It encourages all States and UTs to positively compete with each other to carry out and upload best practices. This repository of good practices focuses on positive stories and developments that are driving performance improvements in school education. These innovative practices are documented in the form of case studies, videos, testimonials and images for which support is being provided under Samagra Shiksha.

ix) Constitution of Youth Club and Eco Club

Youth clubs in schools are an instrument to develop life skills, build self-esteem, develop self-confidence and resilience and counter negative emotions of stress, shame and fear.

Eco clubs in schools will empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighbourhood communities to promote

(निधि प्रकाशन)

sound environmental behaviour. It will empower students to explore environmental concepts and actions beyond the confines of a syllabus or curriculum.

In view of the above, all schools will constitute Youth and Bco clubs for students where they can participate in activities such as debates, music, arts, sports, reading, physical activities after school hours and during vacation. These would help in utilising the ideal school infrastructure particularly playing fields, sports equipment and libraries which will help the students to develop hobbies, skills and interests they might not otherwise be able to explore.

x) Issue of Identity card to teachers

In order to ensure quality of education, it is essential that duly appointed teachers are present in schools. Hence, the States and UTs is required to issue identity cards to all their regular and contractual teachers of elementary and secondary/higher secondary schools having the details such as photograph & name of the teacher along with name of the School with U-DISE Code, Full Address of the school with Block, Village, District, and Designation etc. PGI indicator 2 1.6 will be amended to replace teachers' photos with ID cards for teachers.

xi) Rangotsav

For the promotion of experiential learning and joyful learning, various activities are organized for both students and teachers. Some of the major activities under taken are Kala Utsav; Role Play Competition; Band Competition; Music Teacher Competition and Folk dance competition. While competitions will be organized at the secondary level, focus may be on joyful learning at elementary level.

xii) School Safety & Security

The issue of school safety has become more complex moving beyond corporal punishment to bullying, physical violence, sexual, psychological and emotional violence, even leading to death in extreme cases. In the recent past, there have been reports of violence and tragic incidents in schools including murder, assault and rape. This is a key cause of worry, demanding a school safety and security framework and plan of action.

The scheme of Samagra Shiksha endeavours to provide every child access to education in an environment that is safe, protective and conducive to growth & development. The teachers need to function as first step counsellor within the school. Also, every school is required to display a board on safety with helpline and emergency numbers and contact persons.

xiii) Performance Grading Index

The Performance Grading Index (PGI) has been designed to cater to the transformational change in the field of school education, where the focus has now shifted to the quality of education. The index comprising of 70 indicators would propel States and UTs towards undertaking multipronged interventions that will bring about the much desired educational outcomes.

xiv) UDISE +

This is an improved and updated version of UDISE. The entire system will be online and gradually move towards collecting real time data. Some of the expected outcomes of UDISE+ are: Evidence based planning and decision making; data analytics to identify factors affecting school performance; time series data to study the trend over years and monitor improvement and growth; track key performance indicators and rationalization of schools and teachers based on evidence.

xv) Reporting by the Head Masters/Principals

In order to monitor the expenditure under Samagra Shiksha and ensure that all the services and facilities reach the schools, a detailed system of obtaining reports every two months from every Head Master & Principal in a government school will be put in place. The reporting will be done through a Mobile App, which will be compiled at a central server where the software will generate discrepancy reports, which will then be followed up for correction/necessary action.

xvi) Reporting by the BRCs

The potential of BRCs as academic resource centers is yet to be realized and their role and functions are to be academically channelized. BRCs/URCs need to function as resource centres to study the problems and to design strategies to address the academic issues in schools.

The Block Resource persons will be adequately trained and utilized more effectively. Under the Integrated Teacher Training Programme all the target groups, namely, teachers, principals, block and cluster resource persons, etc., will be brought on the same platform and oriented on similar content focusing on their specific roles and responsibility. There will be regular visits by the BRPs to schools for continuous monitoring, follow-ups and to ensure that learnings from training are translated in classroom transactions. The reporting will be done through the Mobile App which will be compiled at a central server where the software will generate discrepancy reports which will then be followed up for necessary action.

7. Total Estimated Budget (2019-20)

8. Actual Releases by GOI during 2019-20

Against the above estimates, Central Government shall provide to the State Government, Rs.1635.26crore as its share (Rs. 1561.07 crore for elementary, Rs. 71.68 crore for secondary & senior secondary and Rs. 2.51 crore for Teacher Education). The State would contribute Rs. 1090.17 crore as its State share matching the above Central share as per the existing fund sharing pattern of Samagra Shiksha.

States and UTs will also be able to utilise their unspent balances as on 31st March, 2019 for the activities approved in 2019-20 including spill over.

The additional requirement of funds as proposed by the States in the meeting has been examined and based on the norms & the criteria of the Samagra Shiksha Scheme, the funds for the eligible activities has been considered and provided in the estimates.

There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2019, to consider the additional requirements of States and UTs.

State of West Bengal is advised to prioritise the following activities besides RTE entitlements which would help the States in improving the grades under PGI, and particularly learning outcomes (as brought out from the post NAS-2017 analysis).

Sl. No.	Priority activities
1	Composite School Grant
2	Integrated Teacher Training (EE) including Printing of Integrated Teacher Training package
3	CRC mentoring of Schools and Teachers
4	School Based Assessment (EE)
5	School Audit (Shaganotsav) (EE & SE)
6	Display Board on Safety Guidelines (EE & SE)
7	Library Grant
8	Sports & Physical Education
9	Constitution of Youth Club and Eco Club (for all classes)
10	Logo and Display Board -Samagra Shiksha (for all schools)

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2019-20.

Digitally signed by School Education & Literacy, DN: cn=School Education & Literacy, o=Ministry of Education, ou=Government of India, email=school.education@nic.in, c=IN

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (Including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2019-20 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRC and CRCS which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.

9. Release of Funds:

The release of funds under the scheme will be further guided by the following conditions:

State should release/transfer the central share to State Implementing Society within 15 days of its receipt in the State Treasury.

- a) The State share should be released to the State Implementing Society within one month of the release of the central share.
- b) All releases by the Centre would be subject to fulfillment of provisions of GFR by the State. The procurement guidelines as prescribed in the PM&P Manual should be adhered to and all procurement activities by the States and UTs should be routed through GEM portal.
- c) All guidelines issued by MHRD regarding utilisation of funds under the scheme will be followed.
- d) The release of central share of funds to all the States and UTs is subject to fulfilling the submission of documents, reports, financial statements as prescribed in the Samagra Shiksha FMP Manual.
- e) The ad-hoc amount of instalment has been released to the eligible States during April-May, 2019.

As regards the balance of funds to be released towards 1st instalment and 2nd instalment, the conditions to be fulfilled are as under:

The 1st instalment would be released only after proposal for release of first instalment is received from State Government along with:

- Approval of Annual Plans by PAB;
- Transfer of GOI share of previous year to SIS from State Treasury;
- Release of commensurate State share for previous year; and release of full GOI share of ad-hoc release of Central Government to SIS along with matching State share by State Government.

- Submission of provisional UC for previous year. The utilization certificate should be duly countersigned by the Administrative Secretary/ Finance Secretary
- Confirmation of State towards provisions of matching State share in the State Budget for the current financial year.
- Provisional Expenditure Statement of the current year
- Statement of Outstanding Advances Accrued, adjusted and pending till date.
- Physical Progress of Civil Works up to March 2019

The 2nd instalment would be released only after:

- Request letter is received from State/UT for release of 2nd instalment.
- Latest expenditure statement (Capital Head and General Head separately) of the State Implementation Society for 2018-19 for EE, SE and TE components. Expenditure statement should indicate the release of GoI share from previous instalment to SIS from Treasury.
- Final Utilization Certification (Capital and General Head separately and on separate pages) for the year 2018-19 for EE, SE and TE components, along with consolidated Audited UCs separately for General Head and Capital Head, must contain General component, SC component and ST component-wise financial details. The audited UCs should be counter signed by Administrative Secretary of the Department/Finance Secretary.
- Statement showing cumulative status of State share since inception of SSA, RMSA and TE.
- Audit report of Samagra Shiksha for the year 2018-19
- Statement showing details on outstanding advances accrued, adjusted and pending till date for EE, SE and TE components.
- Action taken report on the Pending Audit observations for SSA and RMSA.
- Documents relating to creation of combined State Implementing Society (SIS) for implementation of Samagra Shiksha.
- Receipt of Central Share of balance of 1st Instalment by SIS.
- Receipt of Central Share along with matching State share of 1st instalment by SIS.
- Physical progress report of Civil Works.
- Latest Annual Report.
- All procurement activities are to be carried out invariably through the GEM portal only.

These minutes have been designed as a working document to be implemented and monitored throughout the year. They include the focus areas and new approaches of MHRD which have been deliberated in detail in the PAB meetings. The objective of this is to have emphasis on quality of education and real time monitoring of activities under Samagra Shiksha through UDISE+, PGI, Mobile Apps, and Field Inspections. Many activities are shown separately for elementary and secondary due to different budget sub-heads. State specific projects are shown separately for clarity and monitoring purposes. State will provide details of the Districts, Blocks and Schools, along with

- s) **ICT and Digital Initiatives (Secondary): No proposal for 2019-20**

The utilization of funds under ICT needs to be in accordance of the detailed guidelines issued by MHRD.

MHRD will issue detailed Specifications and Guidelines on Operation Digital Board (ODB). All purchase from central fund should be made through GEM to ensure effective prices and standardized equipments.

The state has to make all ICT labs (approved till 2018-19) functional as committed during PAB

The following points need to be kept in mind during procurement:

- Inventory of each item will be maintained by the school and the concerned school Principal will be the In-charge for ensuring that all hardware and software has been marked as inventory items. The record of ICT inventory, school wise, has to be maintained online and made available to MHRD as and when required.
- States and UTs have to ensure that Annual Maintenance Contract (AMC) for each hardware item procured under ICT scheme has been entered into.

- In order to ensure that computers installed in the schools are being used regularly, software which indicates when the computers are turned on or off, linked to the State server must be put in place.
- As per IT Act 2000, it has to be ensured that effective firewalls and appropriate control filters and monitoring software mechanism are installed in all computers in schools. Please consult local NIC for installing a govt. approved, free firewall.

Outcome: Number of schools having ICT coverage and functioning of number of Secondary/Higher Secondary schools. This will improve PGI indicator No. 1.3.3.

Monitoring: Field inspections through Shagunotsav and other report.

c) Integrated Teacher Training Programme (Elementary level):

- As mentioned in Para 6 (ii) above, all elementary Govt. Teachers, Head Teachers/Head Masters, BRCs, CRCs and faculty of DIETs and SCERTs will be trained through a standardised comprehensive training module being prepared by NCERT in a time bound manner. This will help in preparing teachers for school based assessment to be held in December, 2019.
- Module and guidelines will be prepared by the NCERT and shared with the States and UTs
- Sessions will include, modules on inclusive education, improving social personal qualities of children, school based assessment, new initiatives in school education such as Performance Grading Index(PGI), UDISE +, learner-centred pedagogies of different subjects, School Leadership, Early Childhood Care and Education, Pre-vocational Education in Upper Primary Classes, etc.
- The focus of this training will be on competency based learning through experiential and joyful learning including singing, dancing, book review, debate, youth and eco club activities. This will be helpful in making classrooms learner-friendly and improving children' competencies including critical thinking, problem solving, creativity, as well as social –personal qualities such as cooperation, team work etc.

v) Academic support through BRC/URC&CRC (Elementary): Strengthening of CRCs - Mobility support to CRCs

Each Cluster Resource Coordinator will visit the schools under his/her jurisdiction at least once in 2 months. It is expected that in remote and rural areas the CRC will have five schools while in urban areas this can go upto 10 schools.

- Cluster Resource Coordinator would visit the schools and provide onsite academic support.
- Assess school performance and design Strategies for improvement of various interventions at School Level.
- Will review the status of implementation at the cluster level so as to ensure better outcomes.
- Upload at least 5 reports for each school in a year on a Mobile App based platform which is being developed by the Department.

An additional support of Rs. 734.84 lakh @ Rs. 1000/- per school was estimated under this intervention for CRC coordinator to visit the schools frequently and provide onsite academic support, organise monthly meeting to discuss academic issues and design strategies for better school performance and act as a mentor. The report of the school visit is also to be uploaded on a Mobile App.

education particularly their transition to secondary and higher secondary level and to reduce the drop-out rate in schools. Through self-defence techniques, the girls are taught to increase their core strength. In dire situations, one is not required to have martial art training or a particular dress to defend and save oneself instead a strategic nudge, a sharp flick, a kick or a punch are enough to deter the attacker. The girls are trained to use every day articles such as, Key chain, dupatta, Stole, mufflers, bags, pen/pencil, notebook etc. as weapons of opportunity/Improvised self-defence weapons to their advantage.

The States and UTs may also look for convergence for availing funding for self-defence training under the Nirbhaya Fund under Ministry of Women and Child Development, Government of India, Police Department, Home Guards, NCC or with other State government schemes.

Secondary: An outlay of Rs. 744.48 lakh @ Rs. 3000/- per school per month was estimated for 3 Months training in self-defence for girls in 8272 number of secondary/higher schools. **State is requested to provide UDISE No of these schools within two months where these activities will be carried out.**

19) Spill Over

An outlay of Rs. 27101.10lakh as Spill over under various activities falling under Elementary Education, Secondary Education and Teacher Education was estimated with the condition that all pending activities should be completed during this year 2019-20. The detail is enclosed at Annexure-VI.

During the meeting, it was observed that large number of civil works have not been taken up by the State up till 31.03.2019 and the state was advised to review the actual need as per requirement of these civil works sanctioned in earlier years and surrender those civil works which were sanctioned earlier but could not be taken up till date.

Subsequently, State has submitted the following details on Elementary level in-progress and surrender of civil works, which have not been taken up till date.

- 1) It is stated that Rs. 2288.878 lakh is required out of spill over Elementary head to complete the 'In Progress' works. **{Annexure-VI (a) List of Elementary level work In-progress}**.
- 2) It is stated that Rs. 39533.772 lakh may be surrendered from Elementary level spill over head due to high unit cost escalation of the civil work activities. **{Annexure-VI (b) List Elementary level of work surrender}**.
- 3) State has informed that the details of Spill over under Elementary head regarding Residential Hostels (Rs. 63.80 lakh) & KGBVs (Rs.18.78 lakh), presently showing at the PMS has not been reported correctly due to an error in the Portal, therefore this data maybe kindly deleted.

However, the spill over for Secondary level & Teacher Education will remain the same as shown in PMS Portal.

The state should ensure completion of spill over activities from Non-recurring grants released this year before taking up new civil works.

20) Costing Sheet

The details of State consolidated item-wise estimate for 2019-20 is at **Annexure-VII**

The meeting ended with a vote of thanks to the Chair.
